

QUICKSHOT 48

9 ROUND MATCH PLAY

Speed and Accuracy Head to Head Competition Game

9 Round Match Play is played 2 Players / 2 Shooting Lanes.

A number is pulled each round prior to shooting - Call out the number

Both players shoot simultaneously in their respective lanes at their respective target. First player to hit the correct cell wins the round and receives those points. Maximum 3 shots allowed per round. If no player hits the proper cell after 3 shots—no points are awarded for that round.

Shots that hit a divider line are considered good if at least half the shot is in the proper cell.
